Bakrie Pipe Industries

ANTI-BRIBERY POLICY

PT. Bakrie Pipe Industries is committed to conducting its business as a steel pipe manufacturer with the highest standards of moral and legal responsibility. The Company is committed to implementing, developing, maintaining, and promoting the SNI ISO 37001:2025 Anti-Bribery Management System (ABMS) at all levels of the organization, in order to prevent bribery in any form by upholding the following Integrity Values:

1. Prohibiting the abuse of position, authority, opportunity, or organizational resources for personal or group gain.
2. Prohibiting the offering, promising, giving, receiving, or soliciting of any undue advantage of any value (financial or non-financial) that violates applicable law, whether directly or indirectly, as an inducement or reward for a person to act or refrain from acting in their official capacity.
3. Prohibiting the giving and/or promising of anything improper to any Government or private official, regardless of amount or purpose, including facilitation payments, with the intent to obtain preferential treatment, undue advantage, or expedited services to which the Company is not entitled.

The Board of Commissioners, Directors, all Employees, and all parties employed by or acting on behalf of PT Bakrie Pipe Industries commit to:

1. Conducting business professionally, in line with the Company's objectives and policies, upholding integrity, and free from undue influence wherever the Company operates.
2. Fulfilling Anti-Bribery Management System requirements, conducting periodic evaluations, and committing to continual improvement of the ABMS to uphold integrity principles and prevent bribery.
3. Providing awareness programs and training to prevent bribery and promote integrity principles to all PT. Bakrie Pipe Industries employees, business associates, and relevant Company stakeholders.
4. Accepting full responsibility and applicable consequences if proven to have committed bribery or any other legal violations, in accordance with Company regulations and applicable laws.

Top management of PT. Bakrie Pipe Industries is responsible for ensuring that this Anti-Bribery Policy is effectively implemented across all workplaces. Every level of management, all employees, and business partners operating within areas under PT. Bakrie Pipe Industries' control are responsible for implementing and complying with this Anti-Bribery Policy.

The Anti-Bribery Function of PT. Bakrie Pipe Industries is granted adequate authority and independence to carry out its duties effectively, including direct access to the Board of Commissioners to report matters related to the ABMS. The Anti-Bribery Function has the right to operate without interference, pressure, or undue restriction from any party within the organization.

Any violation of this Anti-Bribery Policy will be subject to proportional consequences. All personnel are obligated to comply with regulations established by management and to report any suspected bribery through the designated reporting channels available within PT. Bakrie Pipe Industries.
